

The American Quarter Horse Association (AQHA) Regional
Championships
July 21-25, 2010

The American Quarter Horse Association is the world's largest single-breed equine registry and membership organization. Today, the Association that was founded in 1940 has more than 5 million American Quarter Horses registered worldwide and more than 320,000 AQHA members.

AQHA is divided into 10 Regions and each State or Province is represented by an AQHA recognized Affiliate. British Columbia, Alaska, Oregon, Idaho and Washington State are the partners included in our AQHA Region One. Our Region is home to 282,844 registered AQHA horses and we represent more than 21,500 members throughout Region One.

Each Region hosts an annual Regional Championship show and on July 21-25, 2010 the Region One Championships will be held at the Thunderbird Equestrian Show Park in Langley, BC. Our AQHA Regional Championships boast over \$100,000 in awards and will attract competitors from all around the AQHA Affiliates that are included in our region.

This event will host a Trade fair, educational clinics, charity fundraising, an AQHA trail ride, a 4H Youth camp, an AQHA test ride, regional championship competition and fun social activities. Exhibitors showing AQHA and Appendix registered horses from many disciplines including Cutting, Reining, Working Cow Horse, Barrel Racing, Trail, Western Pleasure, Hunter Under Saddle and over fences classes, pattern classes and more will be competing for their Regional Championship titles. More information at www.region1experience.com

This will be a great opportunity for our sponsors to connect with the Region's equine enthusiasts through the publicity for this event and directly to the attendees at the AQHA Regional Championships. The success of this international event hinges on the generous contributions of our community and sponsors. Please consider supporting Youth and Amateur sport and competition at our event. We have a very attractive sponsorship package for your review and hope you see the benefit of getting behind an event such as this.

Thanks for your consideration.

Best regards,

Haidee Landry,
BCQHA Director
AQHA Region One-BC Rep
